A wise man once said;  
*the end of labor is to  
gain leisure.*

Well, why not work  
and play?

## FIND YOUR WORK-LIFE BALANCE WITH US!

Mule Creek State Prison is looking for outgoing Recreational Therapists who can engage and encourage our patient population through individual and group activities of a physical, social, and cultural nature. Revitalize your career at Mule Creek State Prison, located in the historic town of Lone, with its charming countryside and close proximity to the Sierra Nevada foothills. Here you have easy access to breath-taking hiking and biking trails, golfing on a championship course, and discovering the beauty of Amador County's 42 vineyards.

## FULL BENEFITS

- Comprehensive medical, dental, and vision coverage
- Vacation and sick leave
- Free on-site CEUs
- 401 (k) and 457 (b) plans
- Secure retirement that vests in 5 years
- 12 paid holidays a year

We require certification and a Bachelor's Degree in recreation therapy or in recreation and leisure studies with a specialization in recreational therapy from a recognized college.
