

Recreational Therapist

Confluence Health in Wenatchee, WA is growing!

In the Middle of Opportunity

Confluence Health is seeking a Rehab - Recreational Therapist to be responsible for planning and implementing therapeutic recreation programs and establishing section goals and objectives. The position also organizes, coordinates, and supervises a variety of therapeutic activities for patients.

Qualifications

EDUCATION/EXPERIENCE:

1. A BS degree or higher from an accredited college or university with a major in therapeutic recreation.
2. The equivalent of 1 yr exp in a rehab or medical setting as a therapeutic recreation specialist.

LICENSING/CERTIFICATIONS:

1. Therapist must be certified by the National Council for Therapeutic Recreation Cert.
2. Washington State Driver's License

In the Middle of Leading Medicine

Confluence Health is an integrated, rural healthcare delivery system with two hospitals, multi-specialty care in 30+ service lines and primary care in 11 communities across north central Washington State. Our 270 physicians and 130 advanced practice clinicians serve an area of approximately 12,000 square miles and cover nearly every corner of this region through specialty outreach.

In the Middle of Work-Life Balance

We offer competitive salaries and a comprehensive benefits package including robust insurance programs and extremely generous retirement contributions. We are located in the heart of Washington State and just 2.5 hours east of Seattle. Our region offers a diverse array of recreational opportunities in breathtaking landscapes, from alpine country to the high desert, orchards to vineyards, cross country skiing to fly fishing and everything in between. Cycling, mountain biking, rafting, hiking; it is all right here. The region also offers a family friendly environment with excellent schools and cultural and art activities for the entire family.
