Call for Presenters

Pacific Northwest Therapeutic Recreation Association and Washington State Therapeutic Recreation Association Annual Conference

April 16th and 17th, 2020

Greetings! The Boards of Directors for the Pacific Northwest and Washington State Chapter Affiliate of the American Therapeutic Recreation Association invites submissions to present at our upcoming Annual Conference on April 16th and 17th, 2020 at the Monarch Hotel and Conference Center in Portland, Oregon. This conference provides annual continuing education and networking opportunities for professionals and students in Oregon, Washington, and surrounding states.

Conference Theme: “Stop, Collaborate, and Listen”

Presenters: In addition to seeking presentations from Recreation Therapists, the boards of directors strongly encourage members of other professions to submit presentations on how they collaborate with recreation therapy

Presentation Topic Suggestions:

STOP: What are the ethical foundations of our practice? Are we creating programming based in evidence? How do we stay motivated as professionals in the face of challenges?

COLLABORATE: How do we collaborate with recreation therapists in the same agency? How do we collaborate with recreation therapists at other agencies? How do we collaborate with other professions? How do we collaborate from a management position with other therapists, assistants, and volunteers?

LISTEN: How do we evaluate our programming? How do we get feedback from clients, both individuals and groups, and what do we do with that information?

Proposal Requirement: Submit PNWTRA Presenter Application (attached)

Presentation Submission Deadline: Nov 22, 2019

Special Considerations: Presenters will be awarded a post-presentation stipend, and receive free registration the day they present. It will be up to the Boards of Directors' discretion to determine on which day each presentation works best.
